---

### **Policy**

In order to minimize personal inconvenience and interference with orderly operations, no employee shall sell, solicit or promote subscriptions, pledges, memberships or other types of support for any drives, campaigns, causes or organizations on University property during working time. The distribution or circulation of leaflets, pamphlets, circulars, cards or other literature is not permitted during working time or in work areas, unless specifically authorized by the Vice President and Chief Financial Officer, the Vice President for Academic Affairs, or their designated representative.
