D. Sick Leave

An unpaid medical leave or a disability leave will not be granted until the requesting person has fully exhausted the benefits of the Sick Leave Plan. (See SPG 201.11-1 (/policy/201.11-1).) No additional paid sick leave will accrue under the Sick Leave Plan during an unpaid leave.

E. Vacation

Vacation benefits, where appropriate, will be paid off at the beginning of an unpaid military leave, and may be paid off prior to other unpaid leaves. No vacation will accrue while the person is on unpaid leave. (See SPG 201.64-1 (/policy/201.64-1).)

F. Effects of Unpaid Leaves on Benefits

For information about benefit coverage during a leave, refer to the Benefits website at http://www.benefits.umich.edu/events/leaves.html (http://www.benefits.umich.edu/events/leaves.html).

G. Length of Service
University service will continue to accumulate during unpaid leaves of absence and extensions. If, however, the person does not return to work, the last day worked will be considered the date of termination for the purposes of determining eligibility to retire or for Disability Plan benefits.

H. Outside Employment

In some cases unpaid leaves may be granted that involve accepting employment outside the University. In addition to unpaid leaves for government service and military service, temporary assignments in teaching or research related to a person’s University responsibilities may be approved if they give promise of enhancing the person’s usefulness as a teacher or scholar. (See Regents’ By-law, Sec. 5.12, “Outside Employment.”) A faculty member who has accepted a tenure track or tenured position at another institution is not eligible for an unpaid leave of absence. Exceptions to this policy must be approved by the Provost and Executive Vice President for Academic Affairs on the Ann Arbor campus or by the respective provost and vice chancellor on the Dearborn or Flint campus.

I. Failing to Return from an Unpaid Leave

Failure to report for assignment at the conclusion of an unpaid leave without requesting and receiving an extension of the leave will be considered a resignation.

J. Excused Absence Without Pay

Excused absences without pay must be recorded using the appropriate time reporting code on the employee’s time report. Periods of absence without pay that are longer than three calendar weeks must be covered by an unpaid leave of absence. (Exception for U-year or 8 month appointees: the period between the Winter Term and the Fall Term; i.e. Spring/Summer Terms.)

K. Medical Examination

A staff member returning from an unpaid medical leave may be required to provide a physician’s statement releasing the staff member to return to work, and noting restrictions, if any.

The University may require, without cost to the staff member, that a physician or physicians of its choosing examine the staff member and provide evidence of ability to return to work that is acceptable to the University before being returned to active employment.

L. Return Before the Expiration of an Unpaid Leave

A staff member’s return to work before the expiration of an unpaid leave or extension is at the discretion of the department head and the dean or director.
* For procedures related to notifying the Vice President and Secretary of the University of candidacy for, or election or appointment to public office, see Regents’ Bylaw 5.13, “Governmental Activities.”

** In addition, a candidate for elective public office may request a leave for the period of his or her campaign for office.

*** Michigan state legislators are prohibited by the State’s Constitution from simultaneously being on an unpaid leave of absence from a public employer.
