## Employment of Students

201.24

**Applies to:** All staff with the exception of those represented by a bargaining unit

### I. POLICY

Employment of students is encouraged to support their financial and educational needs, and to provide work experience that will assist them as they enter the regular workforce. Students will normally be placed into jobs that are seasonal, irregular, or sporadic and are considered supplementary to the regular workforce.

### II. REGULATIONS AND DEFINITIONS

University of Michigan students and non-University of Michigan students who meet the definitions below are classified as temporary employees regardless of the characteristics of the work they are performing.

#### A. University of Michigan Student Employee

1. A University of Michigan Student employee is:
  - a. an individual enrolled in the University of Michigan, and
  - b. employed by the University of Michigan, and
  - c. whose primary purpose for being at the University of Michigan is to obtain an education.
2. An individual meeting the above criteria is considered a student employee even during periods of non-enrollment in the spring/summer terms.
3. The maximum duration of student employment is unlimited as long as the above criteria are met.

#### B. Non University of Michigan Student Employee

1. A non-University of Michigan Student employee is:
  - a. an individual enrolled full time in high school or enrolled for six credit hours or more at a college or university other than the University of Michigan, and
  - b. employed by the University of Michigan.
2. Employee status for this purpose is not affected if the student is not enrolled during the Spring-Summer term.
3. There is no maximum duration an individual can remain a Non University of Michigan Student Employee as long as the above criteria are met.

### C. Monitoring Student Status

Departments are responsible for monitoring the ongoing status of Student Temporary employees to ensure that they remain eligible for employment in this category.
